Promote the passion behind your brand

From Understanding to Creativity

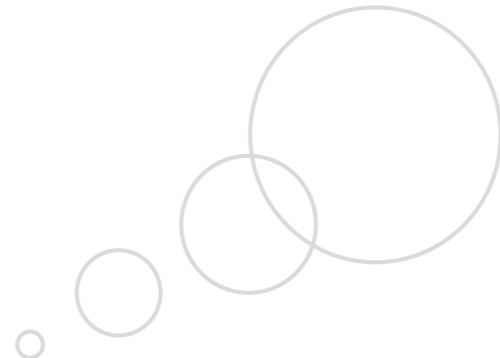

Dare to amaze your clients

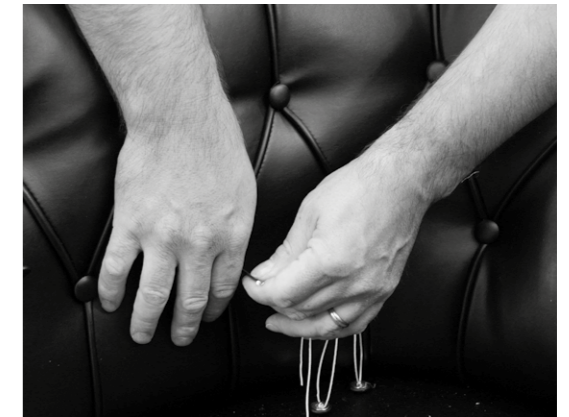

"We imagined it, they realized it".

A major player in the aeronautical sector who was developing their business in India asked us to create an interior inspired by the local culture...

With Savoir-faire
& Professionalism

Passion with Efficiency

Dear client,

over the last 25 years, as the successor to a family business founded in 1955, I have acquired international expertise in my field in a wide range of contexts. I am now pleased to put my professional experience at your service to provide complete and tailored promotion solutions to suit your image, your needs and your budget.

I bring all my passion and promotional sense to ID & Solutions to create the ambiance best suited to your brand.

Together, we can use my creativity, my experience of space optimisation and my feeling for materials in order for you to receive your clients in a unique and welcoming environment.

I offer complete and tailor-made solutions; the knowledge that I am giving my personal attention to your project on site will mean that you can relax and concentrate on your event in complete confidence.

So, together, let's amazed your clients...
